Restaurants at this level offer a distinctive fine-dining experience marked by high-quality ingredients, creative presentation, and attentive service. Brentwood Bay Lodge has been named a AAA Four Diamond Award® winner for the second consecutive year.

“We are honored to be recognized as a AAA Four Diamond establishment,” said Dan Behune, President. “At Brentwood Bay Lodge we are committed to providing a premier experience to all of our guests by consistently exceeding expectations. This award acknowledges the hard work and dedication of our staff.”

“AAA Four Diamond Award winners represent an important tier of the hospitality industry, offering guests superior experiences with a high level of hospitality in luxurious surroundings,” said Michael Petrone, AAA director of Tourism Information Development. “To achieve and maintain this level of service is an amazing accomplishment, and AAA is pleased to honor Brentwood Bay Lodge and Spa.”

AAA’s Diamond Rating System is the only ratings system that covers all of North America and one of only two that conducts physical, on-site evaluations. It is the only system that uses full-time, professionally trained evaluators to inspect each property on an annual basis using a set of guidelines that are made available to all establishments.
