Brentwood Bay Lodge & Spa Awarded Excellence in Hotel and Tourism Commercial Building

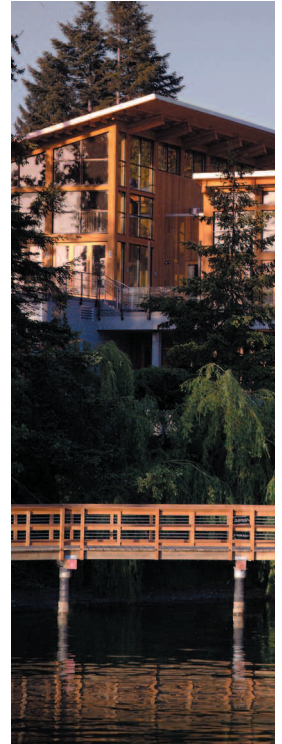

[VICTORIA, BRITISH COLUMBIA] Brentwood Bay Lodge & Spa is pleased to announce that it has received the award for Excellence in Hotel and Tourism at the 14th annual Commercial Building Awards. A presentation by the Commercial Division of the Victoria Real Estate Board, buildings are judged on unique or revolutionary design, respecting the heritage of the neighbourhoods to which they belong.

Brentwood Bay Lodge & Spa is a member of the prestigious Small Luxury Hotels of the World and has a 5 Star rating from Canada Select. It's contemporary westcoast design reflects the natural beauty and marine industrial heritage of its setting on Brentwood Bay. It features natural materials such as Red Cedar, Douglas Fir, slate, stone and glass with clean metal shed roofs and soaring ceilings, hand-crafted furnishing throughout by Gelinias Carr, and original fine art by British Columbia artists. It was conceived and designed by owner Daniel Behune with Vancouver architect Ron Lea, Via Architecture, and interior designer Sandy Nygaard.

All 33 luxuriously appointed OceanSuites have king beds, spa-like bathrooms with jetted bathtubs, fireplaces, handcrafted furnishings, oceanview patios or balconies, DVD entertainment systems, cable TV, high speed and wireless internet, and free calling within North America. Contemporary coastal cuisine is presented in the Arbutus Grille and the Pub & Cafe. The Lodge also includes the Spa-Essence of Life, Fine Wine & Spirits Shop, Executive Conference Facilities, and Marina & Eco-Adventure Centre.

Victoria's only five star oceanfront resort, set on a pristine inlet, is a destination gateway to recreational activities, attractions, golf courses and wineries on Vancouver Island. It provides an exclusive water shuttle service to The Butchart Gardens nearby. Brentwood Bay Lodge & Spa is conveniently located close to the Victoria International Airport and the BC Ferries terminal, and is just minutes from the city of Victoria.
